Andalus and it's origin

Andalus is an Arabic name of a place in southern Spain governed by muslims. it is known as Muslim Spain or Islamic Iberia. Andalus was a beacon of learning, cultural flowering, contributing significantly to the scientific and artistic development of medieval Europe. A number of achievements that advanced Islamic and Western science came from Andalus including major advances in trigonometry, astronomy, surgery ,pharmacology and other fields. Andalus became a major educational center. Andalus stated that people in all corners of the world have a common origin but differ in certain aspects : 'Ethics, Appearance, Landscape and Language'

About Andalus Educational Society

Andalus Educational Society was established in the year 1999-2000 approved under Government of Karnataka Society Act-1965 (Reg no : 147/99-00). It was established to impart quality education to the minority sector. The hard work and contribution set by the members of the Andalus Educational Society Late C. M Basheer Ahmed, Late Mahboobunnisa and Late Syed Mahmood has enabled for significant contribution to the society in the field of education. Under the educational society, **Andalus English School** was established in the year 2000-01 from nursery section. After successful and gaining reputation in Mysuru North from last 23 years, it reached to the level as the best school with a significant contribution in the field of education.
