

PROSPECTUS | 2025 - 2026

**Delhi Public School
Mysore**

CBSE Affiliation Number : 830551

OUR VISION

Our Vision is to create an empowering, inclusive environment with a global dimension where we emphasise on, moral, social, emotional, physical and cognitive development and establish values of thoughtfulness and compassion towards humanity.

OUR MISSION

- Empowering the students with knowledge skills required to keep pace with evolving trends.
- To nurture a sustainable world based on care and compassion, to take responsibility for our actions, to embrace creative and innovative approaches to resolve environmental problems.
- To respect and appreciate all cultures faiths and religions and to uphold the secularity of our nation and sense of national pride.
- To facilitate the evolution of our children by instilling progressive thought processes and making valuable contributions to nation building.

A COMMUNIQUÉ

"A school is a place of entangling learning and joy, combining knowledge and lessons of life for an enriched tomorrow."

Warm Welcome to Prospective Parents

It is with great pleasure that I extend a warm welcome to our prospective parents. At Delhi Public School, Mysore, we are dedicated to creating an enriching environment for your child, one that fosters a deep desire to become a force for social progress and reform. We believe that through education, society can harness its own resources and potential for growth.

Education today is about more than just books and classrooms. It is about shaping well-rounded individuals - civilized, educated, and successful citizens of the future. This is the ultimate goal we pursue at DPS Mysore. Located in the heritage - rich city of Mysore, we are committed to providing a safe, supportive space where academic, athletic, artistic, and aesthetic experiences are in balance.

As the saying goes, "Knowledge is a treasure, but practice is the key to it." This is the driving force behind all our initiatives. As educators, our mission is to inspire intellectual curiosity, encourage independent thinking, and develop effective learning habits. We are passionate about ensuring that all students

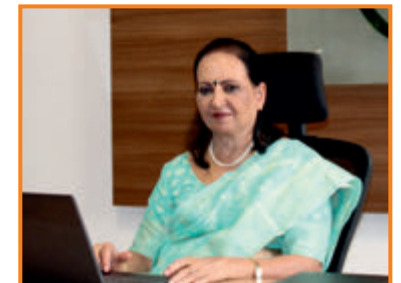

not only have access to education but, more importantly, enjoy the learning journey.

We aspire for our students to be lifelong learners, motivated to seize the opportunities that come their way. Our curriculum is designed to inspire and engage, offering a wide range of experiences that nurture individual potential.

Delhi Public School, Mysore remains a hub of activity throughout the year, committed to providing holistic education. Our expansive sports grounds help students build physical agility, foster team spirit, and develop a competitive edge. Through programs such as the NCC, Scouts and Guides, Skill Development subjects, and the Awakened Citizen Programme, we instill high values, moral integrity, and a strong sense of patriotism.

Each student who walks through the portals of DPS Mysore is equipped with the self - confidence to face the challenges of a global world. I warmly welcome all prospective students and wish them success in their endeavours and memorable school years ahead.

Warm Regards,
Manju Sharma
Director - Principal

GENEALOGY

Delhi Public School, Mysore is a member of the prestigious Delhi Public School family, managed by the Delhi Public School Society and comprising over more than hundred schools spanning across India and abroad including Nepal, Indonesia, Singapore, South Africa, United Arab Emirates, Qatar and Kuwait.

The Delhi Public School Society with its partnership schools forms the largest educational network of quality schools. Founded and managed by distinguished members and luminaries of society, from various walks of life, the organisation has always guided its member schools on the path of progress with their visionary approach and lofty ideas. Consequently, Delhi Public Schools have become significant portals of learning and growth of young minds.

Delhi Public School, Mysore with its distinguished genealogy strives to surge ahead with a spirit of healthy competition setting new benchmarks and trying hard to carve a niche for itself in the educational eco system.

AWARDS AND ACCOLADES

Delhi Public School Mysore has consistently proven itself to be a leading institution in the field of education, having earned several prestigious accolades that recognize its excellence across various dimensions of educational delivery. The institution's forward-thinking curriculum and well-trained faculty have positioned it as a leader in the educational space, attracting recognition from both national and global audiences. We have been awarded with the Times Business Award for the Best Infrastructure in a CBSE curriculum school. Ranked highly in the India School Ranking Award by Education World. The school has also bagged the coveted Dynamic School Award from the Education News Network, emphasizing its proactive approach to adopting new technologies, innovative teaching practices, and creating an inclusive and future-ready learning environment. The school has also been bestowed with the Progressive Reading School Award for encouraging reading initiatives to foster healthy reading habits among the students. IDA Award for School Chain of the Year has recognized the outstanding growth and excellence across multiple campuses of Delhi Public School's under the KKECT - K K Educational and Charitable Trust.

COGNITIVE DISSEMINATION

Ensuring Universal Access at All Levels of schooling from Pre –Primary to Grade XII.

FOUNDATIONAL STAGE (FSI – CLASS II)

“If children grew up according to early indications, we should have nothing but geniuses.”

The Foundational Stage envisions an integrated approach to Early Childhood Care and Education; for children between ages 3–8. The ‘foundational stage’ added to the formal school system at DPSM, has holistic, fun-filled, stress-free, uniform, child-centred learning for all early learners. Our Curriculum consists of flexible, multifaceted, multilevel, play-based, activity-based, and discovery-based learning. It gives the learner the freedom and choice to learn according to their intelligences, aptitude, talents, and interests and to learn at their own pace. As articulated in NEP 2020, We at DPSM use ‘play,’ at the core of the conceptual, operational, and transactional approaches to curriculum, pedagogy, time and content organization, and the overall experience of the child.

THE PREPARATORY STAGE (CLASS III – V)

The philosophy of the Primary school is to create a happy and conducive learning environment, a genuine ‘free space’ for the learning and holistic development of children. At DPSM we believe that, to stimulate the interests of children in any subject, it is important to foster curiosity about that particular subject. We encourage students through hands-on learning experience on concepts, thus ensuring ample opportunities to explore, build, destroy, rebuild, ask questions and answer some themselves. Within the spontaneity of children and their way of perceiving the world, lies the true meaning of education. We allow children to develop holistically to become problem solvers and citizens of the world, recognizing and celebrating their uniqueness, yet understanding their role within the community as special focus is laid on value-based learning and.

THE MIDDLE STAGE (CLASS VI – VIII)

The Middle School curriculum at Delhi Public School, Mysore offers an exciting and creative learning environment, with an interdisciplinary appreciation of Languages, Mathematics, Science and Social Studies, as individual and integrated subjects. The wide range of curricular and co-curricular opportunities offered helps instil in children confidence and discipline. The focus on developing communication skills helps them appreciate the value of education, as it reflects in their ability to express themselves, in addition to developing pragmatic skills.

THE SECONDARY STAGE (CLASSIX - XII)

At the core of our curriculum for grades IX to XII lies the holistic development of students. We strategically emphasize the refinement of essential skills such as critical reading, effective communication, advanced numeracy and intricate problem-solving. Through a dynamic and adaptive assessment system, we meticulously monitor each student's progress, ensuring their academic journey is finely tailored to their evolving strengths and areas of growth. At DPSM, we understand that students have unique aspirations and strengths.

Therefore, in grades IX to XII, we offer a diverse range of subject streams to choose from, allowing students to tailor their education according to their aptitudes and interests. This personalized approach empowers students to take ownership of their learning journey, ensuring that they develop expertise in areas that resonate with them personally.

In essence, the curriculum for grades IX to XII at DPSM epitomizes our holistic approach to education. By combining the principles of NEP 2020, the innovative Universal Design Learning methodology, a commitment to nurturing discrete thinking skills, and the provision of diverse subject streams, we pave the way for our students to emerge as well-rounded, intellectually curious, and socially responsible global citizens.

GAMES GALORE

As one of the central pillars of an inspired education, an engaging and challenging sports and athletics programme is at the core of a holistic learning experience the school is committed to ensuring quality sports activities to all our students. A plethora of inter-house and school-wide events are organized to inculcate a spirit of loyalty and healthy competition in the children. DPSM is the proud host of the Freedom Cup – An Interschool Independence Day Football Tournament, Republic Cup – Inter School Hockey Tournament, Challengers Cup – Inter School Cricket Tournaments and Harmony Cup – An Inter Staff Cricket Tournament for the staff of DPSM and their sister concerns. To foster a holistic approach to education that nurtures both the mind and body, our yoga program is designed to enhance the physical, mental and emotional well-being of our students. The students have access to a state-of-the-art Indoor Firing Range with trained instructors who provide guidance on marksmanship, safety protocols and competitive shooting techniques, fostering a culture of discipline and respect.

BEYOND SCHOLASTICS

ART PULSE (PERFORMING AND VISUAL ARTS)

As part of the holistic education that we offer at DPSM, we celebrate the arts, not only through the creation of images and objects, but also in the way we appreciate, enjoy, respect, and respond to the practices of art making by others from around the world. As one of the three pillars of education at our School, along with academics and sports, we aim to ensure all students have the opportunity to express themselves through multiple mediums. A fine blend of skills and aesthetics is learned through their art, craft, dance, drama and music classes.

LITERARY CLUB

(ENGLISH/HINDI/KANNADA/SANSKRIT/FRENCH)

The club is specially designed to offer opportunities to learn the dynamics of critical appreciation of literature, as well as other literary skills such as authorship and editing. It encourages students to explore writing as a hobby and a possible career option. In the club learners gain high proficiency and fluency in communication skills, leading to a strong identity and voice in the global space.

ENVIRONMENT CLUB

The environmental club is vital in our efforts to ensure a sustainable world for our future generations. The club engages students in educational activities about nature that will inform them how to live responsibly with the natural environment. We create public awareness and sensitization, which are the cornerstone in the implementation of sustainable development strategies. Our goal is to 'GO GREEN.'

SOCIAL WELFARE AND WELLNESS CLUB

The ideology of the club is self-reliance. The club vows to enable children to grow in a supportive and secure environment to become independent, happy individuals with an understanding of difference and deep-rooted respect and value. Through the club, the school seeks to channel goodwill into the young minds that it protects. The students of Delhi Public School contribute generously to SOS's Children's Villages of India, SMILE foundation, National Association for Blind and Global Cancer Concern, India.

CULTURAL CLUB

The club encourages student's interest, participation, and responsibility in the ingenious field through a medium of creative art and literary curriculum & Scope. The inventiveness is to provide social, cultural and recreational activities for the school. The Club provides inspiration and opportunity to students to work on individual and group activities.

YUVA CLUB

Yuva club empowers passionate students to appreciate India's rich cultural heritage also promoting national integration. The club helps in promoting civic awareness through protection of historical monuments and public property.

PEER EDUCATION CLUB

The club aims at promoting psycho social competence with the help of selected peer educators. The council members focus on upgrading core life skills to 21st century skills.

INFORMATION TECHNOLOGY CLUB

Opening the gate of immense possibilities for tomorrow's success, the Information Technology Club helps students to make use of IT in a positive way and to enhance their knowledge of modern technology as well as to impart knowledge through IT. The club provides activities and projects for students to explore the wide world of technology.

NCC

Adding charm to our institution, The National Cadet Corps provides an environment, conducive to our students, motivating them to develop a spirit of patriotism and social service. It helps our students to develop character, comradeship, discipline and secular outlook. The NCC is open to all regular students at our school on a voluntary basis.

SCOUTS AND GUIDES

The very purpose of the Scouts and Guides programme is to contribute to the development of young people in attaining their full physical, intellectual, emotional and social potentials as individuals and members of the community. With pride the DPS Mysore, Scouting and Guiding students of the first batch have completed their badging ceremony.

EMPLOYABILITY SKILLS

A growing number of employers have a changed sense of what they most desire from their employees to achieve success in their field. Delhi Public School, Mysore provides a broad range of skills and competencies that can help young people during recruitment processes and at early stages of employment. These skills will develop through academic study, work experience and extracurricular activities. Coding and Artificial Intelligence assist out of-the-box thinking and helps in a great way to incorporate hands-on learning into your child's education. The Financial Marketing Management course enables students to handle money responsibly and improve their financial well-being. It provides vertical mobility to pursue career opportunity in the financial sector.

STATE OF THE ART INFRASTRUCTURE

Library

A well-stocked library with extensive collection of reference books, dailies, magazines and journals are provided, adding fuel to the ignited minds for valuable research. The library also offers integrated learning programmes that include phonics for pre-primary levels and literary classics for older students. The library is accessible to the parents on Monday and Wednesday between 3:00 pm to 4:30 pm.

Laboratories

Learning through practical classes leaves an indelible imprint on young minds making their knowledge pleasurable which is something that our well-equipped labs do. With the perfect ambience for brains to collide, the advanced labs at DPSM for Science, Math and Computers are well equipped with all the apparatus required while maintaining a high degree of safety standards. The Tinkering Lab

at our school is an innovative space designed to foster creativity, critical thinking, and hands-on learning among students. This dedicated space encourages students to explore science, technology, engineering, and mathematics (STEM) concepts through practical experimentation and innovation.

Digital Arena

We at DPSM, build tomorrow's tech savvy global citizens through our technology-based learning that help developing skills specific to the 21st century. To enhance the quality of teaching and learning, all the classrooms are equipped with Audio – Visual aids. The presence of smart boards makes learning convenient, long lasting, and interesting, turning it to be an experience of lifetime.

Multi-Purpose Hall

Our state-of-the-art Multi-Purpose Hall is designed to be a versatile space that supports a wide range of educational and extracurricular activities. This facility is at the heart of our school community, fostering collaboration, creativity and engagement among students and staff. With ample room to accommodate various activities, our hall can host assemblies, performances, workshops and community events, providing a flexible space for all needs. Equipped with advanced audio-visual technology, stage lighting and comfortable seating, the hall is ideal for presentations, theatre productions and guest lectures.

Infirmary

Our Infirmary remains open throughout the working hours of school and provides children access to emergency medical health services and primary care. Medical check-ups of students are regularly carried out.

Kindergarten Day Care

In a child-centric environment the day care centre caters to children between 3 to 5 years of age after school hours. Well-trained staff make sure that children get the attention and nourishment they need to achieve a sense of continuity between home and school wherein a familiar and comfort is maintained.

Transport Service

We provide a fleet of well-maintained buses fitted with specific speed governors and first aid kits present on every bus. With optimum number of children in every bus, they are looked after by trained lady attendants. GPS tracking through mobile app and biometric attendance system in the school transport to provide a safe environment for your child, is the first of its kind in the city.

School Management Software

We have a dedicated school app - Entrar for parents which regularly updates them about the activities, notices, alerts, date sheets, planners, results, monthly newsletters, their child's data on school records and notifications about important events. This helps the parent stay current on all information related to their child and the school at the click of a button.
