ABOUT SPV SCHOOL

Sri Paramahansa Vidyaniketana A School a With Difference...

Education unfolds the potentialities of human and makes them an enlightened citizen of society. With this paramount views, Sri Paramahansa Vidyaniketana Trust (R) was established in 1994 with the blessings of Sri Swami Sukhathmanandaji Maharaj of Sri Ramakrishna Ashrama, Mysuru. The Trust has obtained a land measuring 30,000 Sq. ft. at Hebbal 2nd stage, Mysuru, near residential location with good connectivity. The Trust has got great ambition of expanding the School with College and arena for Sports Yoga, Social and Cultural Activity.

From the beginning the school is imparting value based education to its students. A committee of Experts is being constituted with sole aim of utilizing their expertise and experience. These apart, qualified & committed teachers who striving to provide the students a quality education and guidance have contributed to the growth of school, which has been recognized as **STATE LEVEL BEST SCHOOL (SSF)** by the government of Karnataka.

SPV will strive to develop the centre of excellence from elementary to graduation program to shape the students as responsible citizens by providing high quality and innovative teaching along with outstanding life-skills to redefine the future

SPV want to be a model in the education system by excelling students in curricular and co-curricular activities. Students individually will be focused and guided to achieve in the desired direction by providing exposure to hands on learning, involvement in activity based programs insight into science and technology along with equal encouragement in co-curricular activities by effective and distinct teaching techniques at diverse capability to face the future and contributes to the development of the society.
