

## ICSE

We follow the syllabus offered by CISCE board. Students can opt Science or commerce subjects along with major subjects.

## ISC

We offer Science and Commerce courses for grade XI and XII. Students can opt the courses based on their interest with matched criteria.

## Houses:

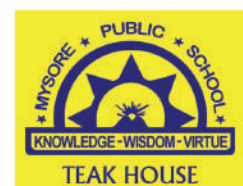

A school house will have students of different classes and grades and make them come together during meetings and events. Students learn to respect their peers, starting observing the advantage of a group and develop a sense of working together with different people to achieve a common goal, which is generally winning the House Cup.

## MYSORE PUBLIC SCHOOL

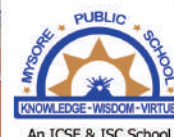

[Day/Boarding, affiliated to the Council for the Indian School Certificate Examinations, New Delhi.]

An ICSE & ISC School

Mysore Public School is located on the periphery of the Garden City of Mysore in a sprawling heritage campus of 20 acres of lush green land which is serene and scenic. The campus has been given a face-lift while maintaining the Royal grandeur and oriental architectural style.

The school has created a welcoming environment by providing spacious infrastructure attractively landscaped. The infrastructure has been specially designed and planned out by us keeping in mind that our school should provide a holistic and simulating ambience to young minds where they can learn and imbibe new things each day. With great pride Mysore Public School has started way back in 1999 with vision of our founder Mr. Abdul Salam.

**Our vision** of continuous providing to society a social and morally responsible learning community is growing stronger with each year passing. Our school establishes a partnership between home and school which plays a critical factor in the success and all-round development of each child. We respect the fact that the parents remain the child's first teacher.

Teacher here at MPS are facilitators who consider the requirements of individual attention of students and provide extra reinforcement for those students who need it, while continuing to provide rigorous curriculum for all. Along with academic needs, the school understand the values of emotional, moral, spiritual, physical, cultural and social development of each individual student. a strong partnership with parents and others in society.

**Our mission** is to provide a continuous improvement in an individual in all fields of curricular and co-curricular activities. Our school believes in increased staff development in order to implement a high standard of student learning, incorporating and upgrading technology continuously.

## Courses

We offer Pre Kg, LKG, UKG, Grade I to X (ICSE) and Grade XI & XII (ISC) both in science and commerce stream.

We are offering an Integrated Coaching for grade XI and XII to enable the students to crack NEET, JEE and CET.

## Facilities:

- \* We have well equipped laboratories and class rooms.
- \* Well stocked Library with the service and access to prominent newspapers and periodicals in various languages.
- \* We provide training in both indoor and outdoor games by qualified P.T instructors.
- \* We have Playground, Basketball court, Volleyball court, Tennis court, Cricket Pitch etc., to encourage the students in sports activities.
- \* Students are also encouraged in co-curricular and extra curricular activities and trained by the qualified trainers in the respective field.
- \* Separate hostels for boys and girls under compassionate and watchful eyes of a warden and matron, give the boarders a feeling of a home away from home. The dormitories provide an atmosphere of classless society and provides the opportunity for the boarders to learn to put up with people of different culture and tradition to exhibit "Unity in Diversity".
- \* Infirmary with bed facility. Full time trained Nurse and doctor on call for emergency.
- \* 24 x 7 security to the whole campus with CCTV surveillance.
- \* A spacious dining hall accommodates around 200+ children. It is the place where children sit together and share the meals thus creates a bonding between the students. The students were also taught dining room etiquette and table manners. Healthy and nutritious food is served to all the students by ensuring the students are getting to proper food habits.

- \* We provide transportation facility to the students who would like to avail. More than 100 students travelling through our school buses daily from all over the Mysore. We ensure the safety and security of each child and each buses are accompanied with the helper.
